Visit the Unique Village of

MAGDALENA

In the Mountains 28 miles west of Socorro, where the Trail Ends and the Sky opens to a Gateway of Stars.

Magdalena is a place where old and new frontiers merge. Shop, dine, listen to music, and see traditional and contemporary art. Stay a while in our motels or B & B, dance at our local saloon, relax, look at the stars and take a step back in time.

They don't make places like this anymore!
